*A three-bedroom apartment has two bedrooms

The purchase price of a new home is in euros and always 'free on name' (v.o.n.).
 The houses are offered on the basis of freehold land (so no leasehold conditions apply).

Included in the purchase price is:

- Construction and connection costs of water, heating, electricity and sewerage
- Construction costs, including wage and material cost increase
- Land costs
- Municipal fees
- Costs of the architect and other advisors
- Costs of the SWK certificate of guarantee
- Notary fees for the purchase of your home
- Sales tax (currently 21%: any legal changes to this VAT rate during construction will be passed on to you)

Not all costs are included in the 'free on name' price.

- These include:
- Costs for any additional work such as kitchen and wall and/or floor finishes
 - Costs for renting a parking spot (offered by subscription at 225 euros per parking spot per month)
 - Connection and subscription costs for telephone and [CAI] cable
 - Closing commission and Notary and Land registry fees for your mortgage
 - Costs for applying for mortgage guarantee
 - Loss of interest during Construction

All our offers are, unless otherwise indicated, without obligation.
 BKO reserves the right to make changes to the contents of this price list.
